|  | <b>PROJECT WORK</b> | 2020-2021 |
|---|---------------------|-----------|

## **THE ITALIAN IMMIGRATION TO AMERICA BETWEEN 19TH TO 20TH CENTURY**

### ***"WHEN WE WERE EMIGRATED"***

#### **DESCRIPTION OF THE ACTIVITY**

The project work wants to train skills to analyze the Italian emigration between 19th to 20th century. It is addressed to 4UE High School of the Human Sciences.

It consists in a project that:

- analyzes the historical and social coordinates of Italian Immigration
- watches film and documentary about the immigration
- researches letters and documents that explain the emotions of migrants
- makes a survey to understand the reasons because the Italians go away
- make a survey to know the prejudices about foreign people

#### **EDUCATIONAL PURPOSES**

The educational purposes are:

- create a positive and constructive sense of belonging of the community
- grow up a cultural Italian identity in different social and environmental context
- know our rights and duties in an active participation
- acquire the correct behaviour and the main rules of democracy
- understand the role of democratic institutions

#### **OBJECTIVES**

- Highlight the universal character of human mobility
- study the migratory phenomenon
- understand the importance of the historical memory
- recognize stereotypes
- foster a dialogue with other cultures
- develop the ability to take the point of view of others and critical thinking
- have awareness of oneself and of the other from an intercultural perspective
- design intercultural and educational itineraries

## DESCRIPTION OF THE PHASES AND TIMES OF THE PROJECT

The project work is divided in two part; a theoretical and historical topic and a practical part that analyze the feelings and the prejudices about the Italian migrant.
